CSI:
CRIME SCENE INVESTIGATION

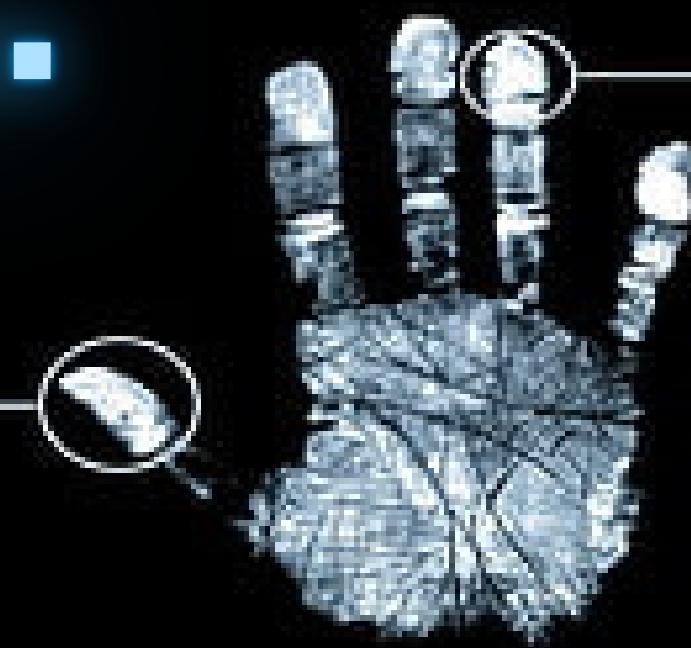

CRIME LINE DO NOT CROSS

OBJECTIVES...

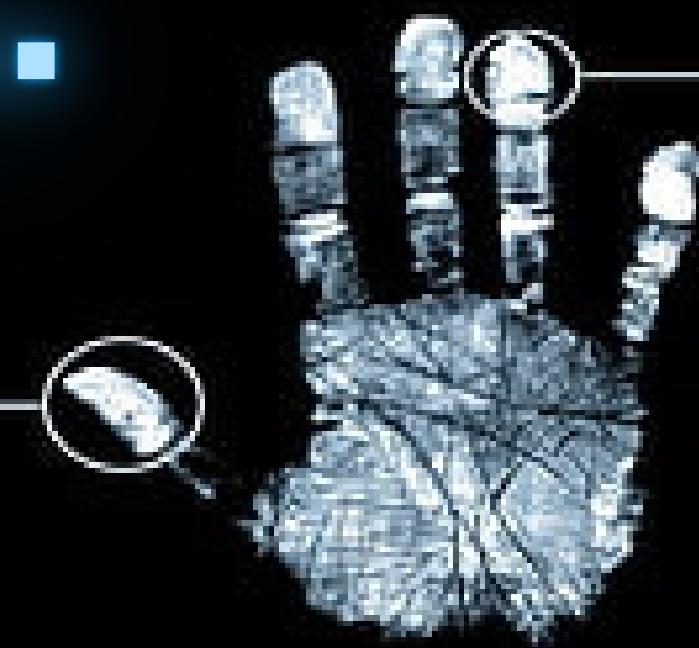

To Develop a web system to collect evidence, data, suspects and information.

OBJECTIVES...

To give much more tighter security rather than simple paper that can be accessed by any members of their institute

OBJECTIVES....

To give them analysis of crime scene or cases

Email Verification

After you register, the system must request from your email for your security

The screenshot shows a browser window displaying the Mailtrap inbox at mailtrap.io/inboxes/1304565/messages/2294975789. The inbox lists several messages from 'Laravel' to 'code@gmail.com' with subject 'Verify Email Address'. The messages are timestamped from 3 hours ago to 9 days ago. The main content area shows a single message in detail, titled 'Verify Email Address'. The message is from Laravel and contains a welcome message, a 'Verify Email Address' button, and a note for users who did not create an account. The interface includes standard email controls like reply, forward, and delete.

Profile Page

In this page, you can update your profile and if you want to secured your account , you can enable the two factor authenticator

The screenshot shows the 'Profile' section of a web application. At the top, there's a 'Photo' section with a circular placeholder image of a person, 'SELECT A NEW PHOTO' button, and 'REMOVE PHOTO' button. Below it is a 'Name' field containing 'Jake paragas'. Underneath is an 'Email' field with the value 'code@gmail.com'. At the bottom right of this section is a 'SAVE' button. In the bottom left corner of the main content area, there's a 'Update Password' section with a note about using a long, random password and a 'Current Password' input field.

The screenshot shows the 'Profile' section with several sections. The 'Update Password' section is identical to the one on the left. Below it is a 'Two Factor Authentication' section with a note about adding security and an 'ENABLE' button. To the right is a 'Browser Sessions' section with a note about managing active sessions across devices and a 'LOG OUT' button. At the bottom right, there's another 'Browser Sessions' section with similar content.

PROGRESS REPORT...

Profile Page

otherwise, there is a browser session which you can monitor your login session. this may helpful to avoid your account to the hacker.

if you want to delete your account just click the delete account red button

The screenshot shows a web browser window with three tabs: 'localhost / 127.0.0.1 / csimanager', 'Mailtrap - Safe Email Testing', and 'Laravel'. The main content area displays a user profile page with the following sections:

- Two Factor Authentication**: A section explaining the benefits of enabling two-factor authentication and a prominent 'ENABLE' button.
- Browser Sessions**: A section listing active sessions on other devices. It shows one session: 'Windows - Chrome' on '127.0.0.1, This device'. A 'LOG OUT OTHER BROWSER SESSIONS' button is present.
- Delete Account**: A section warning that account deletion is permanent and不可逆. It includes a large red 'DELETE ACCOUNT' button.

CSI Investigations

Information Services

What is CSI?

Crime scene investigators are specially trained members of law enforcement agencies, government or civilian crime labs who collect physical forensic evidence from crime scenes and use scientific methods and technology to process material evidence and interpret findings in order to assist both the investigative and judicial sides of the criminal justice system in the process of solving crimes and securing convictions.

The glorification of crime scene investigators, thanks to a number of popular television shows, has brought this profession into the spotlight and spurred many individuals to seek careers in this area of forensic science. Although careers for crime scene investigator may not be as sensational as nighttime television shows make them out to be, they are, for the right individuals, incredibly rewarding and gratifying.

This CSI Management website is a system that can collect information, data and cases in an investigation. It can help the CSI team to easily restore their data for their work especially for their gathering information for a case investigation.

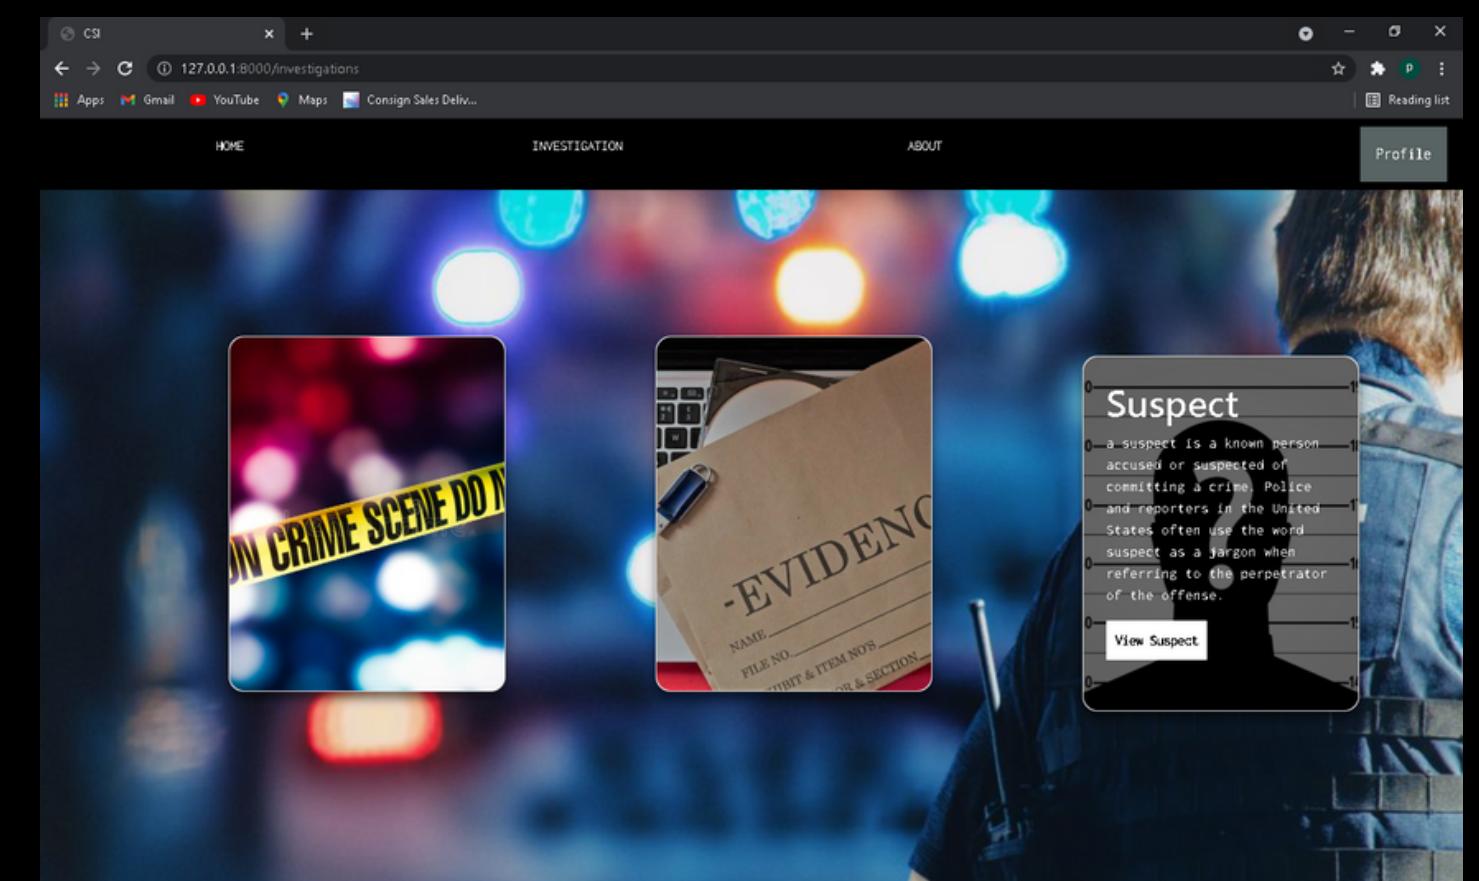

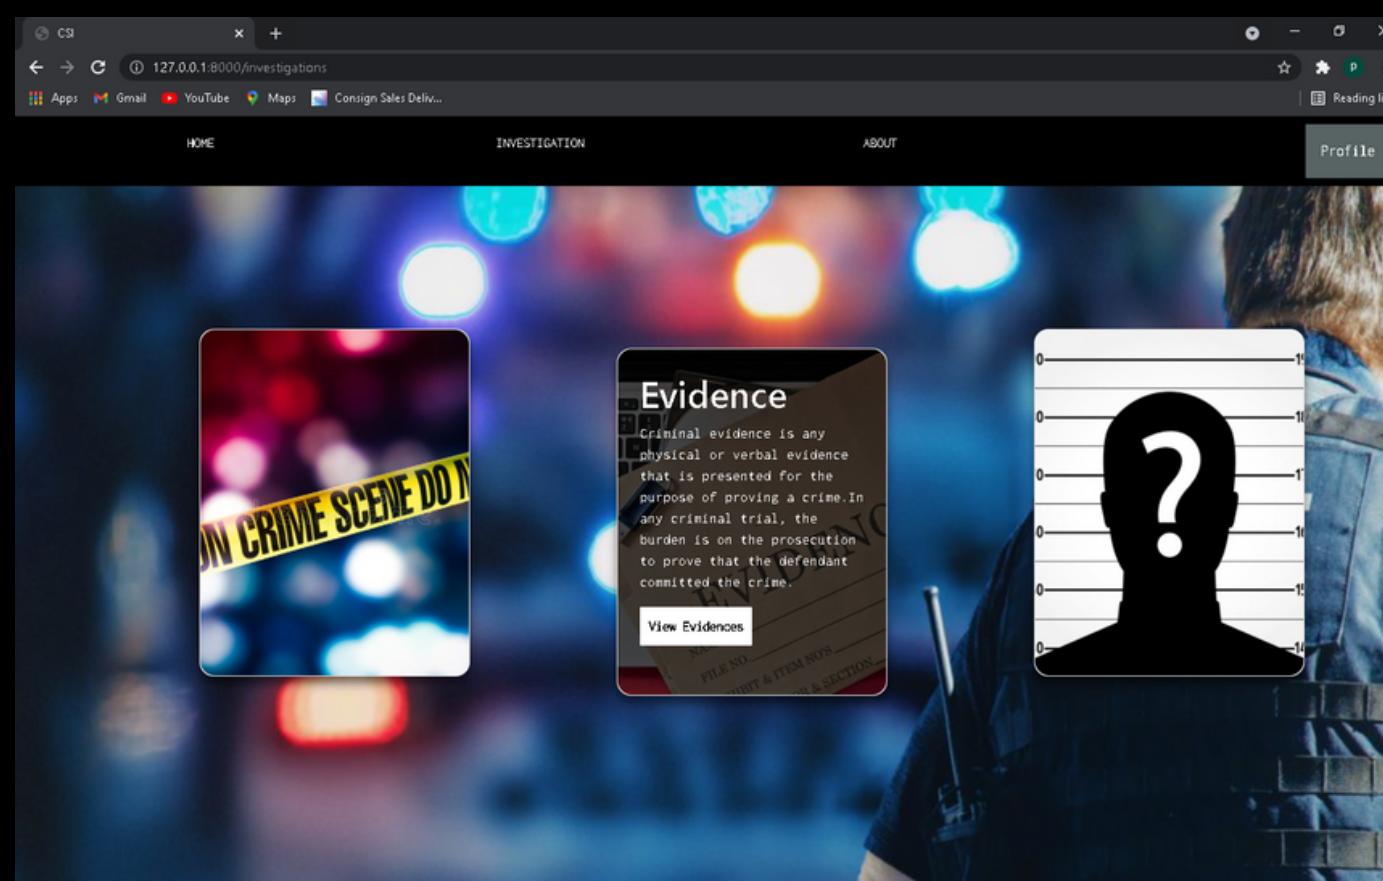

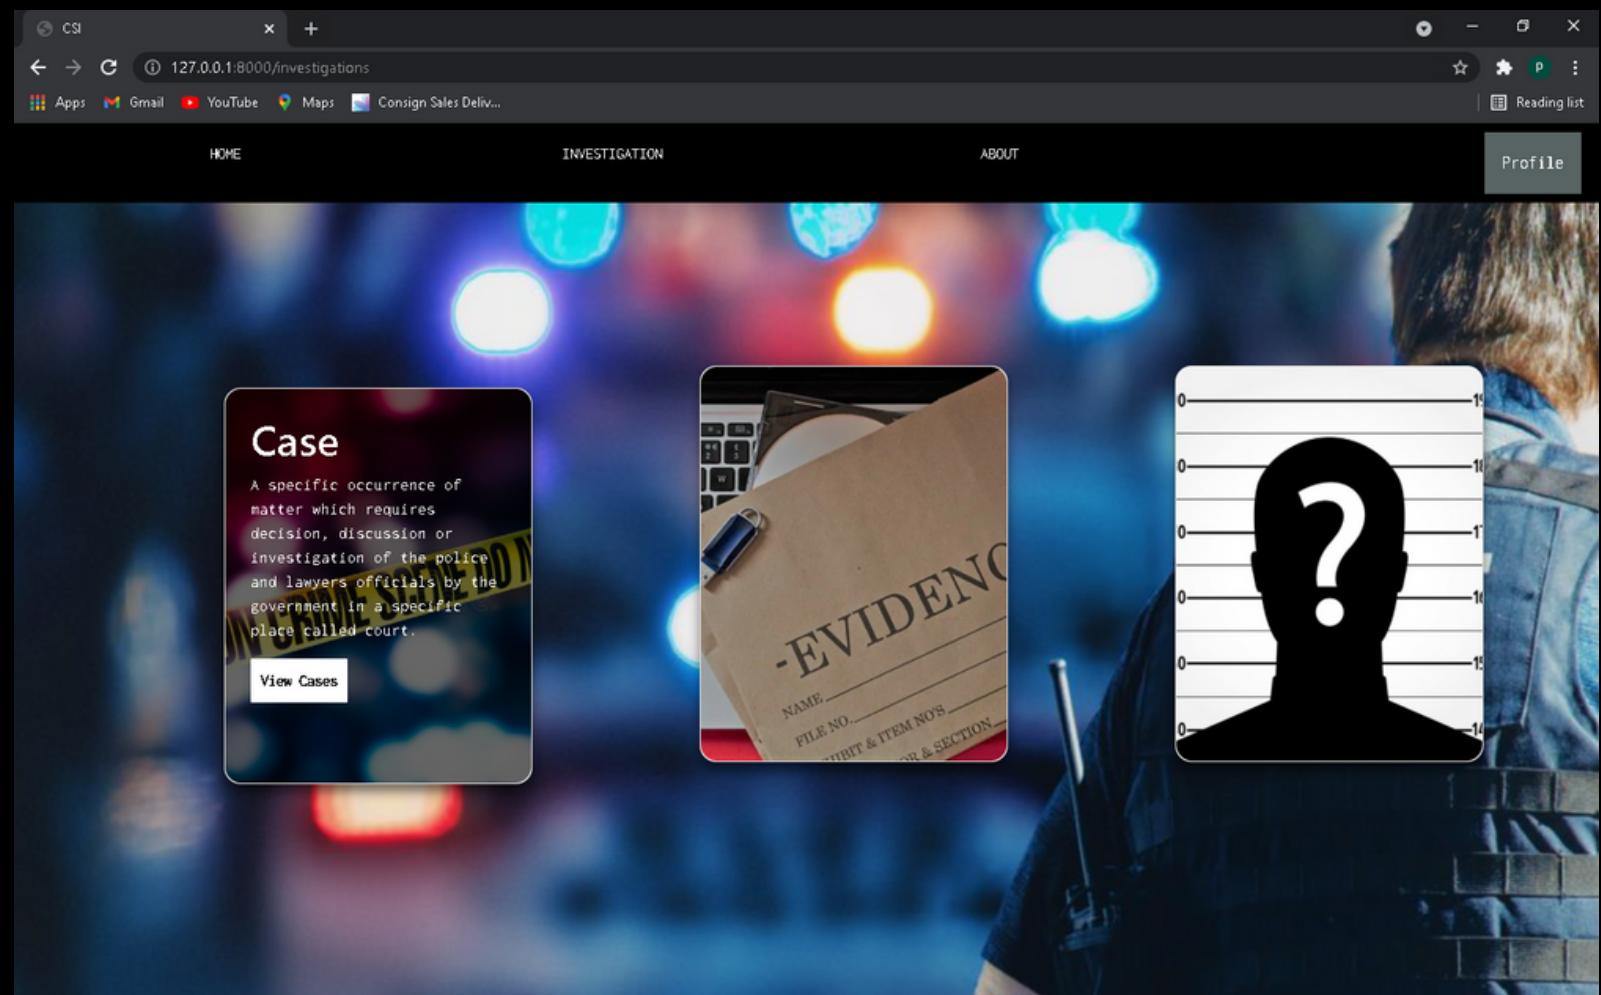

NEWS

PROGRESS REPORT...

Investigation Page.

It is include 3 card views which is Case, Evidence and Suspect. each of the 3 cards have own destination to view the data which collected data by the CSI Team.

they can view of their investigation.

PROGRESS REPORT...

Task Page

In this page, it is include the daily task of the users

The screenshot shows a web browser window with three tabs: 'localhost / 127.0.0.1 / csimanager', 'Mailtrap - Safe Email Testing', and 'CSI'. The main content area is titled 'Daily Task'. On the left, there is a sidebar with a user profile picture of a person in a white shirt, the name 'Jake paragas', the email 'code@gmail.com', and a 'EDIT PROFILE' button. Below this are navigation links: HOME (selected), TASK (checked), CHART, CASES, EVIDENCE, SUSPECT, and Logout. At the bottom of the sidebar are social media sharing icons for Facebook, Instagram, Google+, Pinterest, Twitter, and LinkedIn. A green 'Add new Task' button is located at the top right of the main area. A modal dialog box displays a task with the following details:

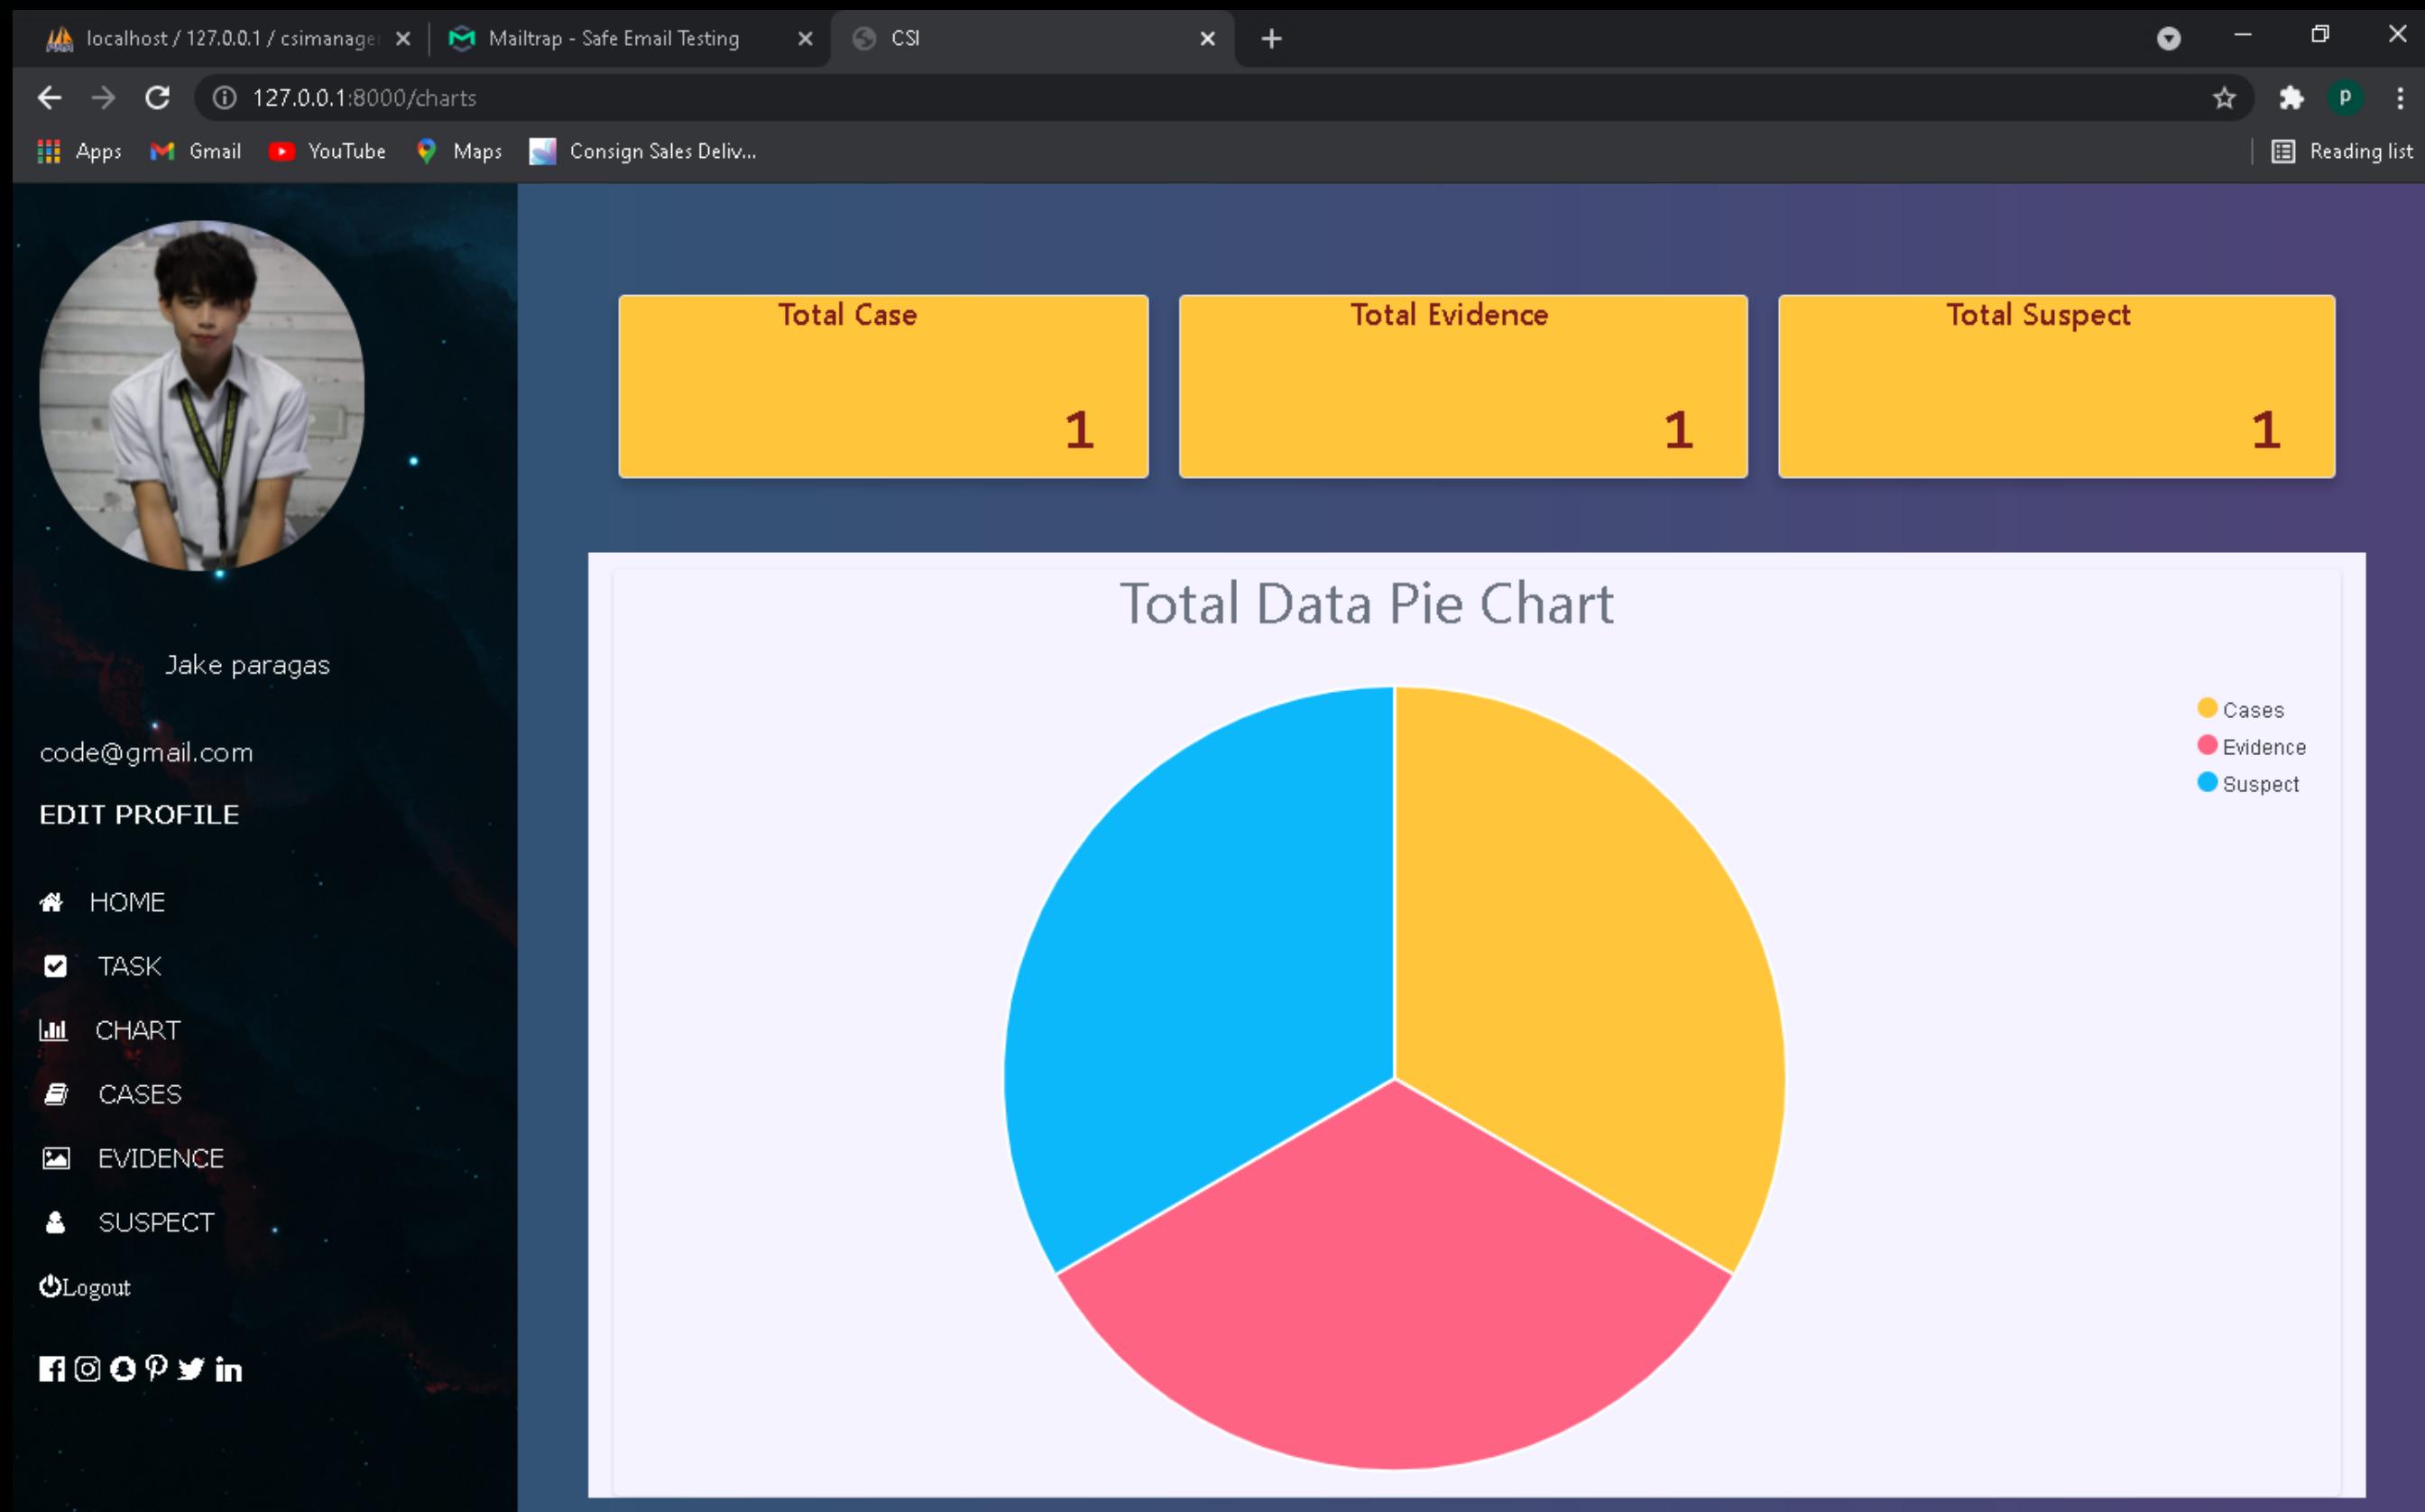

Task name: Rape case of evelyn
description: find the suspect of evelyn
Date: 2021-07-29

At the bottom of the modal are 'Edit' and 'Done' buttons.

PROGRESS REPORT...

Dashboard

This is our new dashboard page. we add some chart to analyze the whole data collected and display the total data collected of each data (Case, Evidence and Suspect)

PROGRESS REPORT...

CASE COLLECTION

In this section, the CSI team can add their collected case

The screenshot shows a web application interface for 'CSI CASE COLLECTION'. On the left, there is a sidebar with a user profile picture of a person in a white shirt, the name 'Jake paragas', and the email 'code@gmail.com'. Below this is a 'EDIT PROFILE' section with links for HOME, TASK (which is checked), CHART, CASES, EVIDENCE, SUSPECT, and Logout. At the bottom of the sidebar are social media icons for Facebook, Instagram, YouTube, Pinterest, Twitter, and LinkedIn.

The main content area has a title 'CSI CASE COLLECTION' and a table showing a single case entry:

No	Name	Action
1	Romeo orio	Edit Delete

At the top of the main content area, there are browser tabs for 'localhost / 127.0.0.1 / csimanager', 'Mailtrap - Safe Email Testing', and 'CSI'. The address bar shows '127.0.0.1:8000/cases'. The top right corner of the main content area has a green button labeled 'Add new Case'.

PROGRESS REPORT...

Evidence Collection

In this section, the CSI team can add their collected evidence

The screenshot shows a web-based application titled "CSI Evidence COLLECTION". On the left, there is a sidebar with a user profile picture of a man named Jake paragas, an email address code@gmail.com, and a "EDIT PROFILE" button. Below the sidebar is a navigation menu with icons for HOME, TASK, CHART, CASES, EVIDENCE, SUSPECT, and Logout, along with social media sharing icons.

The main content area displays a table with the following data:

No	Image	Evidence for	Action
1		Evidence for romeo	<button>Details</button> <button>Edit</button> <button>Delete</button>

A green "Add new Evidence" button is located at the top right of the main content area.

PROGRESS REPORT...

Suspect Collection

In this section, the CSI team can add their collected Suspect

The screenshot shows a web-based application titled "CSI SUSPECT COLLECTION". On the left, there's a sidebar with a user profile picture of a person named "Jake paragas" and an email address "code@gmail.com". Below the profile are navigation links: HOME (unchecked), TASK (checked), CHART, CASES, EVIDENCE, SUSPECT, and Logout. At the bottom of the sidebar are social media icons for Facebook, Instagram, Twitter, and LinkedIn.

The main content area displays a table titled "CSI SUSPECT COLLECTION" with one row of data. The table has four columns: "No", "Image", "Name", and "Action". The first row shows a circular profile picture of a person, a mugshot of the same person holding a placard labeled "SUSPECT ONE", the name "johny", and three buttons: "Details" (blue), "Edit" (blue), and "Delete" (red).

No	Image	Name	Action
1		johny	<button>Details</button> <button>Edit</button> <button>Delete</button>

PROGRESS REPORT...

Note: the 3 collected information will be display
in INVESTIGATION PAGE
